

Bluebell Railway Museum Photograph Order Form

To order copies of photographs from the Bluebell Collection please use the form below. The completed form should be sent to the address on the bottom of the form.

You should enclose a cheque for the full amount made out to “**The Bluebell Railway Museum**”. The cheque will be cashed after the prints have been dispatched.

To keep costs down orders are batched to reduce the processing price. Because of this prints can take up to 21 days from receipt of order to dispatch.

Postage and packing is £2.00 per order, though orders of £33 and over are post free. Also, orders for 30 prints or more are post free. Orders are sent 1st class post with proof of posting. The minimum order is £5 (plus postage). Large images will be posted in a tube and orders may be split for posting to reduce cost. No responsibility will be taken for orders lost in the post. Special Delivery (including insurance) is available, see form. Non-UK postage is extra, please see form.

Sizes given below are our standard sizes though we can provide quotations for any size up to A3.

Please give the reference in the first column and include some part of the photograph description eg locomotive number or location in the second column for checking purposes. Please include the initials of the photographer in the third column, eg JJS for John Smith. Include the number of copies of each image in the appropriate box and include the totals as specified on the form. Please add postage, special delivery to get total order cost.

Please Note:

If possible, odd sized images will be printed by cropping onto the requested size if this only means removal of areas of sky etc. Images will not be cropped to remove detail. If images are not cropped the white space around the image will not be trimmed.
